Terms & Standards

All list prices and specifications are subject to change. All prices are F.O.B. Haleyville, Alabama. Prices do not include any applicable sales taxes. Contact your sales representative to establish your multiplier.

Terms of Payment offered are: 2% ten, net 30 days, or Prepay Before Build. Visa and MasterCard are accepted; however, the 2% discount will not be applied when paying with credit card. All accounts must be in good standing to place orders and receive merchandise. Invoices in excess of 15 calendar days beyond the 30 day terms will result in automatic termination of open account status.

Ordering

All orders must be submitted with a Kith Kitchens Order Cover Sheet.

Lead time is established by the date the order is signed off on, not the date the order is submitted.

*All acknowledged orders must be signed off by 12:00 noon CST on your cutoff day, determined by region, to meet the current lead time. During peak seasons production can fill up, therefore placing and approving your order prior to your cutoff day 12:00 p.m. CST will help ensure your lead-time. Delivery dates will only be established after you have signed off on the order. **Kith Kitchens reserves the right to adjust lead-times during peak seasons and other factors out of our control.***

The Dealer and Kith Kitchens responsibilities are as follows:

- (1) *The dealer's account must be in good credit standing.*
- (2) *The dealer will submit the order via email to: orders@kithkitchens.com, using only Kith Kitchens Nomenclature.*
- (3) *Kith Kitchens customer service department will enter the order and forward an acknowledgment.*
 - *Customers should expect to receive an acknowledgment within 24 hours on orders that have no custom cabinets or custom wood hoods.*
 - *Customers placing orders with custom cabinets and custom wood hoods should expect to receive an acknowledgment within 48 hours.*

If you have not received your order acknowledgment within 2 business days, please call Customer Service.

- (4) *The dealer must sign off on the Acknowledgment by no later than 12:00 noon CST on the cutoff day, determined by region, to meet your respective lead-time. Therefore, your original order must be submitted with sufficient time to complete the above listed procedures. Kith Kitchens will not start production of the order until there is firm approval (sign-off) of the Acknowledgment.*

The Acknowledgment is our interpretation of your submitted order. Any discrepancy between your original submitted order and the Acknowledgment is the responsibility of the Dealer. Kith Kitchens will not produce an order until the signed Acknowledgment has been returned to customer service by way of fax or email. Orders will be produced from the signed Acknowledgment.

Voided Orders

All submitted orders and Acknowledgments not signed off within 30 days will be voided. A new order must be submitted.

Shipping / Freight Rates

*Charges for freight are based on a per cabinet box charge. The per-box rate applies only to items shipping on a Kith Kitchens Fleet Truck or a Kith Kitchens Certified Contract Carrier. **Cabinets, Hoods and Columns are charged the per-box rate, not accessories or moldings.** The per-box cabinet rate is based off of the National Fuel Average. The box rate is subject to increases or decreases depending on the National Fuel Average. The truck driver will contact your dealership one hour prior to arrival.*

The minimum freight charge for orders shipping on a Kith Kitchens Fleet Truck or a Kith Kitchens certified Contract Carrier will be \$125.00.

In an effort to abstain from shipping orders common carrier (LTL), the option of holding orders for delivery on the cycle fleet truck is available.

Delivery

Product will be delivered on a Kith Kitchens Dedicated Fleet Truck or Kith Kitchens Certified Contract Carrier. The Dealer must provide a representative to sign for and receive all orders. Any items signed for become the responsibility of the dealer. Damages and shortages must be noted at the time of delivery. Delivery is to the tailgate only. The dealer must provide assistance in unloading the truck.

Expedited Orders

Expedited Orders must be noted on the Kith Kitchens Order Cover Sheet

Expedited Orders can only consist of 8 total pieces or less; only 2 of those pieces can be cabinets. *Orders containing more items will be considered a regular order and fall under the normal lead-time. Anticipated shipping of an Expedited Order will be 10-13 business days after the dealer signs off on the order and the order will receive a 20% up-charge. The 10-13 business day shipping applies only if the order ships LTL or FedEx Ground. LTL and FedEx Ground shipments will incur shipping charges. Expedited orders that are added to the cycle truck will not meet the 10-13 business day shipping lead-time; these items will be added to the first available truck.*

Complete kitchens cannot be ordered under the Expedited Program.

Replacement/Warranty Orders

Replacement/Warranty Orders must be submitted with a Replacement/Warranty Order Cover Sheet to warranty@kithkitchens.com

Replacement / Warranty Orders will be reviewed as soon as the order is received. Valid Replacement / Warranty Orders will be shipped within 10 business days of the factory approving the order. Replacement / Warranty orders will ship Fed-EX Ground or LTL unless otherwise noted. Once the order ships, the dealer will receive an email notification. Often, Dealers request that Replacement/Warranty Orders be shipped on the Cycle Truck; if this option is selected, Kith Kitchens cannot guarantee the 10 business day shipping.

Returns

No returns will be accepted without a Kith Kitchens written approval and a Return Goods Authorization Number (RGA#).

Change Orders

Change orders are not permitted after the signed acknowledgment has been submitted. A new order must be placed.

Order Cancellations

Order cancellations are not permitted after an acknowledgment has been signed off.

Proper Care and Cleaning Tips for Your Cabinetry

Kitchen Cabinets, just like fine furniture, should be dusted or vacuumed periodically depending on the amount of particulate matter that may have accumulated. Always dust with a polish-moistened or damp cloth, as dry dusting may scratch the surface. It is also a good practice to follow the grain of wood when dusting - wiping across the grain could cause scratches to appear if the dust contains grit. Residues such as smoke, cooking vapors or body oils can be cleaned with a damp cloth with a small amount of furniture cleaner. Remember to use a clean soft cloth such as an old t-shirt, cheesecloth, dishtowel, flannel or chamois with no snaps or buttons that may scratch the surface.

Basic Care Tips

- Wipe up spills, splatters and water spots as they occur - keep the cabinets dry.
- Clean as needed with a soft, lint free cloth. Use a mild detergent or soap and warm water.
- Dry surfaces immediately with a soft cloth.
- Avoid using a dishcloth or sponge - it could contain remnants of grease or detergents.
- Do not use products with bleach, ammonia or abrasive additives.
- Never use scouring pads, steel wool or powdered cleaners.
- Do not allow oven cleaners to come in contact with wood finishes.
- Avoid placing small kitchen appliances where heat is directed onto cabinet surfaces.
- Avoid draping damp clothes or dishtowels over cabinet doors - excessive moisture can cause permanent damage.

With proper care and maintenance, your cabinets will be beautiful for years to come.

KITH KITCHENS LIFETIME LIMITED WARRANTY

Kith Kitchens provides the original homeowner purchaser a lifetime limited warranty against defects in workmanship and materials subject to the exclusions and limitations noted below. This warranty applies only to the original homeowner purchaser who resides in the residential structure where the cabinetry was originally installed. The Kith Kitchens warranty is non-transferable.

The Kith Kitchens lifetime limited warranty does not cover defects or damage that are not directly the result of Kith Kitchens design or construction. The warranty does not cover damage caused by others or damage beyond the control of Kith Kitchens including misuse, abuse, accident, neglect, alteration, mishandling, improper storage, fire, flood, tornado, earthquake or other acts of God. This warranty does not apply to any product used or installed in conjunction with Kith Kitchens cabinetry such as plumbing fixtures, counter-tops or appliances.

Accessories or components that are not manufactured by Kith Kitchens are not covered under this warranty; however, they are covered under their own manufacturer's warranty. This may include but is not limited to outsourced internal cabinet accessories.

This warranty is limited to the repair or replacement of defective parts. In no event shall Kith Kitchens pay for or be held liable for the cost of labor, installation and touch-up of the replacement products or for any other cost related to the replacement of products, all of which is the responsibility of the person making the claim.

In addition, the following are excluded or limited from the Kith Kitchens lifetime limited warranty:

- Any condition or appearance caused by improper care or cleaning. (Proper care and cleaning instructions are included in the price book.)
- Natural characteristics in the wood grain and color. (For more information refer to the price book.)
- Kith Kitchens cabinetry is not intended for external or commercial use; such applications are not covered under this warranty.
- The Kith Kitchens warranty does not cover expansion defects and/or joint separations that occur as a result of high humidity, high moisture content, and exposure to extreme heat or improper storage. In the case of joint separation, Kith Kitchens may, at its option and after inspection from a Kith Kitchens Representative, defer action for a period of 6 months to allow the doors to acclimate to the environment.
- The Kith Kitchens warranty is not valid unless the products have been paid for in full.
- Unfinished product is not covered under this warranty.

To obtain service under this warranty, please contact the business where you purchased this product. A copy of the original purchaser's dated receipt must be submitted. Kith Kitchens reserves the right to inspect the claimed defective product or request that the replacement be invoiced at the time of shipment with credit being issued upon the return and inspection of the defective product.

No dealer or agent of Kith Kitchens has the authority to change or extend the above warranty or responsibility.

This warranty is in lieu of all other warranties expressed or implied. To the extent permitted by law, this warranty does not cover special, incidental or consequential damages (such as labor expenses in uninstalling or installing any material or parts) whether arising out of breach of warranty, breach of contract, tort or otherwise. Some states do not allow the exclusion or limitations of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

CABINET SPECIFICATIONS

CABINET CONSTRUCTION:

Kith framed cabinets are constructed of 1/2" plywood side panels, a 1/4" plywood back panel, 1/2" plywood top and bottom panels, 1/2" plywood stretchers and hanging rails and 3/4" plywood wood adjustable center shelves. The interior is UV finished Birch. The drawer box will be plywood dovetail drawer with a full extension under-mount Blum Integrated Motion Slide. Doors will have Blum Integrated Soft Close hinges. Standard door hinging is left hinge.

Kith framed cabinets are manufactured with an unfinished exterior. For all finished ends the customer must order a matching 1/4" End Skin (WEP, BEP, Face-Panel, etc.).

CABINET CONSTRUCTION

See corresponding Cabinet Construction image at the bottom of the page:

1 Face Frames

3/4" x 1-5/8" stiles and rails. frames are pre-drilled and joined with wood screws.

2 Drawer Fronts

Drawer fronts are constructed of HDF.

3 Doors

Doors are constructed of HDF. Cabinet doors are standard hinge left.

4 End Panels

The exterior side of the plywood side panels are unfinished. 1/4" end panel must be ordered for exposed cabinet sides.

5 Bottoms

1/2" UV Finished Plywood.

6 Shelves

Adjustable 3/4" UV finished birch on both sides, front of shelf has been PVC edgebanded to match. Shelves in the base cabinets are half-depth with adjustable locking shelf clips.

7 Backs

1/4" UV Finished Birch inserted into a dado groove and followed with hot melt glue for a stronger tighter construction.

8 Hanger rails

Hanger rails are 1/2" plywood glued and stapled to the backs and end panel of the cabinet.

9 I-Beam (Full Dado) Bracing

1/2" plywood inserted in a dado groove and fastened to the face frame and back stretcher on each side of the cabinet.

10 Toe Space

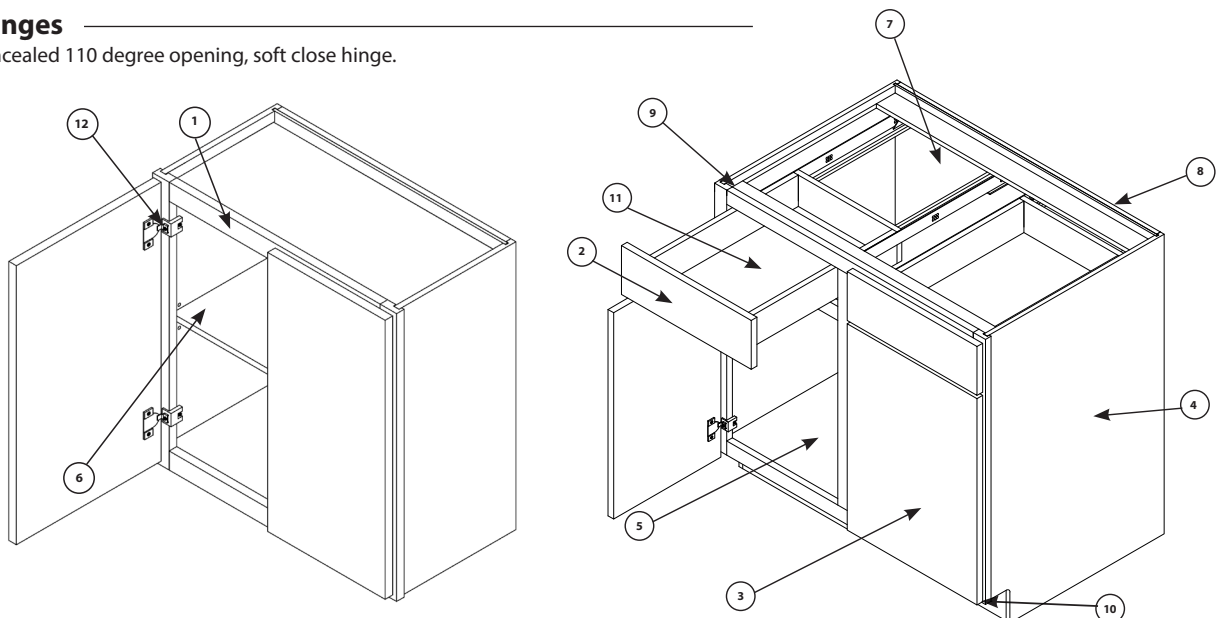

Built in 4" toe space. 4" tall and 3.5" deep.

11 Drawer Box

Plywood Dovetail Box with dual undermount Blum Integrated Motion Full Extension Easy-Close Sides.
Drawer glide weight limit is 75 lbs.

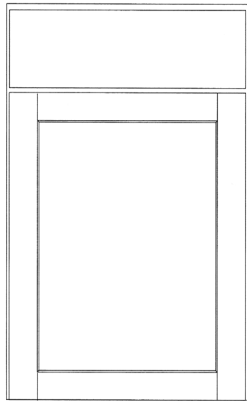

12 Hinges

Concealed 110 degree opening, soft close hinge.

Blind Wall Cabinets

Hinging will always be on the same side as the blind.

Left hinge/Left blind is standard. Selecting right hinge will create a right hinge/right blind cabinet.

A filler is required between the BLW and adjacent cabinet.

A* = Actual Cabinet Width

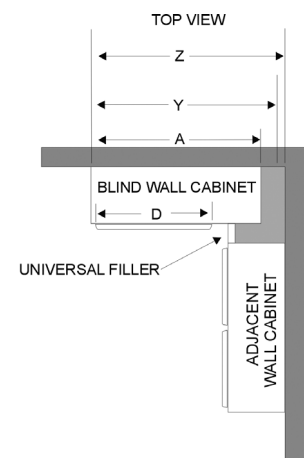

Y* = Recommended distance from the wall to the opposite end of the cabinet.

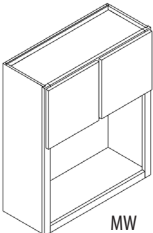

Z = Maximum distance from the wall to the opposite end of the cabinet.

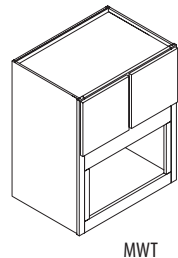

D = Actual door opening width.

*Note: Add 2" to the A and Y dimension to assure clearance of hardware.

Cabinets noted with the suffix Butt will have Butt Doors and no Center Stile.

Raised panel butt-joint door will have double panel on bottom door of utility cabinet.

Standard Roll Out Trays are 3-1/4" in height.

Roll-out glides are attached to a metal bracket that locks into wood pilasters installed inside the cabinet. Roll outs are adjustable up and down pre-drilled holes in the wood pilasters.

To calculate frame opening width for Butt cabinets subtract 3-1/4" from cabinet width.

To calculate frame opening width for cabinets with center stile subtract 6-1/2" and divide by 2.

Door opening height is 27-1/4"

Side reveals for 1-1/4" overlay door styles are 3/8"

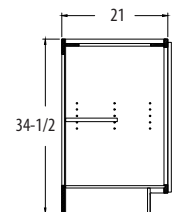

Reveal from top of door to top of frame is 5/8"

Reveal from bottom of door to bottom of frame is 1/8"

Reveal between doors on non-Butt cabinets is 3/4"

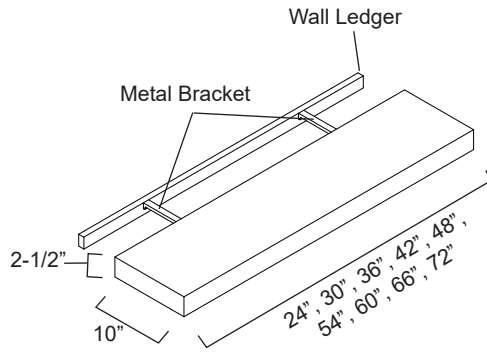

Toe kicks are 4" high x 3-1/2" deep

Cabinets noted with the suffix Butt will have Butt Doors and no Center Stile.

Designer Hoods do not require a liner. DWHPBX54 and DWHPBX60 will require a third party liner.

Blower CFM is the number in the nomenclature.
For example, the SY-HV-500SS Blower is 500 CFM.
